

APS 330 Public Disclosure of Prudential Information

The information in this report is prepared quarterly based on the ADI financial records. The financial records are not audited for the Quarters ending 30 September, 31 December, and 31 March.

The report as at the 30 June is based on financial statements as audited as at the 30 June 2016.

1. Detailed Capital Disclosure Template (APS 330 Attachment A)

The details of the components of the capital base are set out below as at the financial year ended 30 June 2016.

The following table 1 sets out the elements of the capital held by CMCU including the reconciliation of any adjustments required by the APRA Prudential Standards to the audited financial statements. Adjustments are usually in the form of deductions of assets not regarded as recoverable in the short term (such as intangible assets and deferred tax assets), and/or discounts made to eligible capital of a short term nature. Central Murray Credit Union (CMCU) is using the post 1 January 2018 common disclosure template as it is fully applying the Basel III regulatory adjustments as implemented by APRA.

Table 1: Detailed Capital Disclosure Template (APS 330 Attachment A)

	30th June 2016 \$	Reconciliation Table Reference
Common Equity Tier 1 : Instruments & Reserves		
1	Directly issued qualifying ordinary shares	
2	Retained Earnings including current year earnings	4,497,510
3	Accumulated other disclosed reserves	985,767
4	Directly issued capital subject to phase out from CET1	
5	Ordinary share capital issued by subsidiaries and held by third parties	
6	Common Equity Tier 1 capital before regulatory adjustments	5,483,277
Common Equity Tier 1 capital : regulatory adjustments		
7	Prudential valuation adjustment	
8	Goodwill (net of related tax liability)	
9	Other intangibles other than mortgage servicing rights	68,060
10	Deferred tax assets that rely on future profitability excluding those arising from temporary differences	
11	Cash-flow hedge reserve

Risk Exposures and Assessment

CMCU has adopted the standardised approach to both credit and operational risk since 1 January 2008 in order to calculate its minimum capital requirements. CMCU maintains a capital policy level of a minimum of 13%, our current level of capital is 15.22%.

The risk weighted assets as set out in the table below are adopted from APRA Prudential Standard APS112. CMCU uses the standardised approach to both credit and operational risk.

Table 2: Risk Weighted Assets by Asset Class

	31st December 2016	30th September 2016
	\$	\$
Capital requirements for credit risk by portfolio		
> Loans - secured by residential mortgage	18,867,168	18,478,741
> Loans - other retail	5,717,100	5,819,647

Table 3: Capital Held by CMCU

	Capital		Capital Ratio	
	Dec-16	Sep-16	Dec-16	Sep-16
Common Equity Tier 1	5,324,271	5,337,803	14.73%	14.75%
Tier 1	5,324,271	5,337,803	14.73%	14.75%
Total Capital Ratio	5,494,908	5,508,440	15.20%	15.22%

Credit Risk Exposure

The gross credit risk exposure (based on the definitions for regulatory capital, before credit risk mitigation) is summarised per table 4 and 4A.

The classes of loans entered into by CMCU are limited to loans, commitments and other non-market off-balance sheet exposures. CMCU does not enter into debt securities; and over-the-counter derivatives.

Impairment

The level of impaired loans by class of loan is set out in Table 4 and 4A.

- Past due loans is the 'on balance sheet' loan balances which are behind in repayments past due by 90 days or more but not impaired.
- Impaired loans are the 'on balance sheet' loan balances which are at risk of not meeting all principle and interest payments over time.
- Specific Provision is the amount of impairment provision allocated to the class of impaired loans
- The charge for write offs in the period equate to the additional provisions set aside for impaired loans, bad debts written off in excess of previous provision allowances.

Impaired loans are generally not secured against residential property. Some impaired loans are secured by goods security agreements over motor vehicles or other assets of varying value. It is not practical to determine the fair value of all collateral as at balance date due to the variety of assets and condition.

Table 4: Credit Risk

Risk Exposure and Capital Adequacy as at 31st December 2016							Charge for Specific Provisions and Write Offs During the period

General Reserve for Credit Losses

This reserve is set aside to quantify the estimate for potential future losses in the loans and investments.

In addition to the provision of impairment, the Board has recognised the need to make allocation from retained earnings to ensure there is adequate protection for members against the prospect that some members will experience loan repayment difficulties in the future.

The reserve has been determined on the basis of the past experience with the loan delinquency and amounts written off.

The value of the reserve is amended to reflect the changes in economic conditions, and the relevant concentrations in specific regions and industries of employment within the loan book.

APS 330 Remuneration Disclosures

Remuneration Disclosures in accordance with requirements of Attachment E of Prudential Standard APS330 – Public Disclosure

a) Overview

The Board of CMCU has established a Board Audit Committee “the Committee” who have the responsibility to:

- Make annual recommendations to the Board, consistent with the Remuneration Policy, on the remuneration of: the Chief Executive Officer, direct reports of the CEO; and any other person as per the Remuneration Policy.
- Conduct regular reviews of, and make recommendations to the Board on, the Remuneration Policy.
- Undertake such other functions in relation to the remuneration arrangements of CMCU as the Board may from time to time delegate to the Committee.

The Committee may make use of external consultants in undertaking its role.

Senior managers for the purpose of this disclosure include the CEO and Senior Management. There are currently three employees within this group. There are no employees outside this group that are considered material risk takers as defined in paragraph 17 of APS 330.

b) Remuneration Policy

The objectives of CMCUs remuneration policy is to:

- Attract and retain capable, motivated managers and staff;
- Have managers with strategic vision, able to drive growth while maintaining stability and financial soundness of CMCU;
- Provide incentives for outstanding performance;
- To encourage behaviour that supports CMCU's long term risk management framework;
- To ensure that managers responsible for compliance and risk management are not compromised in the performance of their functions; and
- To ensure that CMCU's remuneration arrangements are, and remain compliant with corporate governance requirements, including requirements under CPS510.

To achieve these objectives the Remuneration Policy for senior managers allows for a remuneration structure comprising of fixed base component.

Fixed based component

The fixed components of the remuneration of persons covered by the Remuneration Policy consist of base salary, leave loading, superannuation benefits, and retirement benefits. CMCU may, in addition, provide other benefits such as mobile phones, home office facilities.

Fixed Remuneration is reviewed annually and increases in remuneration are based on a person's performance assessed against individual KPI's and job description. The remuneration increases are capped at the annual CPI rate plus 5%. There is no guarantee increases in fixed remuneration will occur, or that the full increase will be provided.

The Committee reviews the Remuneration Policy on an annual basis. No material changes were made to the policy in the past financial year.

c) Quantitative disclosures per APS 330
